4. COMMENTS AND REQUESTS

M&C P-1966- Councilman Vance requested that the company providing the equipment make a special effort to have the equipment and other material available.

M&C C-9987-- Councilman Bagsby asked if the Transportation Committee had been

involved with this contract. (Mr. Harman indicated that it had not.)  
It was requested that contracts such as these be sent through the Transportation  
Committee.

Z-86-124 - Denied without prejudice.

Councilman Lancaster requested that a workshop on PD zoning be scheduled for  
Councils benefit.

##### 5. CITIZEN PRESENTATION

Patrick Wyers, Robert Reid and C.B. Mauldin came before Council in effort to  
further their goal of a Tax Rollback Election. Their concerns centered on the  
rate increase of 3.8% and the excessive reserves that the City has. They propose  
that citizens are given a chance to vote on this matter.

S.L. Gilliam came before the Council requesting aid from the City to clear trees  
and bushes in the rear of the 2000 block of East Myrtle. The over growth is a  
harboring place for dogs and other illegal activities. Ms. Gilliam asked that  
the City help on behalf of her neighborhood.
